About the sessions

Often in our busy lives, it is difficult to find quality time for children and their important adults (parent, aunt uncle, grandparent etc.) to be together. Child/adult art workshops are a different way of finding this time and space. Pairs will work together to make pieces of art, facilitating a sense of connection and collaboration.

The first two weeks are Introductory sessions, it will give you a taste of what's planned for the follow on sessions. Starting Saturday 6th May and continuing through to the end of term 2.

Cost: \$60 per session (child/adult pair) payable weekly or in full at reduced rate. Cost includes materials
